The Board of Education invites you to participate in a Strategic Planning initiative along with your neighbors, community members, friends, teachers, students, and school district administrators to create a shared vision for the future of the Montclair Public Schools. This process will be facilitated by New Jersey School Boards Association.

We will be creating a shared vision for the District, discussing the strengths of the district, the challenges that we face, and ways in which we can tackle those challenges. Please share your thoughts, ideas and hopes so that we can effectively plan for the future of our students. We encourage you to attend as many meetings as you can.
