**GLENFIELD MIDDLE SCHOOL COURSE SELECTION SHEETS
GRADE 6 - SEMESTER 1 & 2 - 2019-20**

Students in the 6th Grade will have the opportunity to take elective classes several times throughout the school year. These classes are taken during periods 2&3, which is an 80 minute block period and period 9, which is a 40 minute period. Courses can be taken:

“Semester” (Labeled SEM) – These classes last for two marking periods consecutively. (All 2/3 block classes unless otherwise specified.)

“Full Year” (Labeled FY) – These classes last for all four marking periods.

“Quarterly” – These classes last for one marking period. (All 9th period classes unless otherwise specified.)

You must indicate on the next pages which elective classes you would like throughout the school year. In each semester you must indicate which are your top 3 classes for A, B & C days. Please select these 3 courses for each day, in priority order (1=first choice, 2=second choice, 3=third choice) for each block period. **IF ONLY 1 COURSE IS SELECTED WE WILL NOT KNOW WHAT YOUR SECOND CHOICE IS.**

Certain courses (highlighted) require an audition and students are placed in this course if the eligibility requirements are met. YOU CAN NOT CHOOSE THESE COURSES. PLEASE SELECT 3 OTHER CHOICES EVEN IF YOU AUDITIONED FOR A CI COURSE.
