

ELA - Mr. Meech

pens

pencils

highlighters

3-subject spiral notebook and pocket folder OR 1-inch binder with loose-leaf paper

1-subject spiral notebook OR composition notebook for journal

Science - Mrs. Facey

1 inch, 3-ring binder

1 pkg. of pocket tab dividers (at least 5, to separate chapters)

Loose-leaf paper or notebook with ring holes to go into the binder.

Pencils (lots)

Highlighter

Calculator that you are using for Math class

For tie dying House Meech shirts: 1 white all cotton T-shirt (size large or large enough to fit for 3 years). Must be all cotton (a blend will not work.) Must be prewashed at home. A great idea: If you have an old dingy shirt that is not quite the white you remember it once being, give it a new life by tie dying it.

Math - Ms. Hurwich

Several (3 - 5) one subject spiral bound notebooks, to be used one at a time for all math work.

A large folder or small binder to keep current papers in the backpack

A large binder to be kept at home to keep tests, quizzes and worksheets to prepare for midterm and final exams.

Scientific calculator (preferably solar calculator, TI brand is recommended)

Pencils, erasers, highlighter, ruler

SS - Mrs. Cario

1 inch binder

looseleaf paper

black and/or blue pen

pencils

highlighters (3 preferred)

3x3 post-it notes

Sincerely,

Pete Ramiccio
